

GAMBLING WAGERS ELECTION TRICK, SAYS CHAIRMAN

Democratic Leader Declares
That Bets Are Plain Violation of Laws.

Charles W. Bingham, chairman of the Democratic City Central committee yesterday issued the following statement:

"To be perfectly frank I have paid very little attention to the republicans' offer to bet large sums of money on their candidate. The whole performance appears to be simply an effort to bluff the voters and to stampede them by the use of money and by talking in large figures. Personally I do not believe the thinking people of Mishawaka can be influenced in any such manner.

"While I know that prominent city officials and city employees have gone to local pool rooms and business houses offering large bets I find it hard to understand why such open law violation is permitted and encouraged by them. If punch boards and rum games are gambling and forbidden by the mayor I cannot see how he can reasonably permit and encourage betting in large amounts.

Law Is Plain.
"Our law on this subject is very plain. Betting on the outcome of an election is an offense punishable by a fine of from five to one hundred dollars to which may be added imprisonment for not less than ten days or more than three months. And anyone convicted of betting on an election shall forfeit to the school fund an amount of not less nor more than twice the amount wagered.

"So far as the Democratic city organization is concerned, we are not interested in taking the bets posted. Our candidates are seeking election on a platform of law enforcement, and it would be decidedly inconsistent and not in keeping with our position to go out and openly encourage or induce in open law violation. I might say that the question of raising a pool to cover the money offered has been raised at democratic meetings and has been very promptly rejected for the reason above stated.

"We do not feel that it would be

WAS ON VERGE OF BREAKDOWN

South Bend Woman Is Convinced Tanlac Saved Her From Spell of Sickness.

"I'm convinced I was saved from a long spell of sickness by Tanlac, as I was just on the verge of a nervous breakdown when I took my first dose," said Mrs. Valentine Gadacz, 1223 West Ford St., South Bend, Ind.

"I had stomach trouble in a bad form and had gotten to where I had no appetite and suffered so much, no matter how little I ate, I dreaded to go to the table. I was restless and nervous all the time, slept very little and in the morning felt so miserable I could hardly get up.

"I eat anything I want now, my digestion is perfect and I sleep all night long as sound as a child. I have gained in weight, too, and my friends tell me they never saw me looking better and it's easy for me to believe them, for certainly I never felt better than I do now. I just can't express the gratitude I feel for what Tanlac has done for me, and I know it will help others who suffer as I did."

Tanlac is sold in South Bend at the Central Drug Store and by all leading druggists.—Adv.

STAGE TWO HOLD UPS WEDNESDAY

Thieves Steal Liberty Bonds and Money From Home—Another Victim.

Two men armed with revolvers last evening entered the rural home of Charles Krupski, northeast of Mishawaka and succeeded in getting away with \$300 in Liberty bonds and \$50 in money. Mrs. Krupski, became frightened and fainted. When her husband returned from work at a local factory he found her unconscious.

Arthur Wilson, an employee of the Dodge company was also held up last evening on the Jefferson road and was relieved of a gold watch and \$20 in money.

WEST BOUND TRAIN HITS MAIL WAGON

While loading mail onto train No. 32 at 4:30 Wednesday morning a peculiar accident happened to the local mail truck which was in the center of the space between the tracks. No. 89, west bound while passing through the station hit the truck, demolishing it entirely and scattering that part of the mail not loaded to the winds. Every piece of it, however, was picked up. The only explanation of the accident is that the platform between the tracks is not wide enough to prevent such occurrences, especially when trains are passing through the city at a great speed.

ARMISTICE WEEK ARRANGEMENTS IN CITY COMPLETED

Churches to Participate—Judge Feig Orator—Community Singing.

Mishawaka churches are planning special ceremonies and services for Armistice week. The local churches will start the ceremonies with a Peace Day Service on Sunday, Nov. 5. The subject for the mid-week prayer services in local churches will be "Limitation of Armaments."

On Friday, November 11, the different churches will conduct a community sing at the Temple theater. It will be held at 11:30 a. m. The singing will be led by Miss Jeanette Terry, music supervisor of the Mishawaka High schools. The singing will be followed by scriptural reading by Rev. August H. Miller of the English Lutheran church. Prayer will be conducted by Rev. L. C. Rogers of St. Paul's Episcopal church.

From 12 noon until 12:02 p. m. there will be two minutes of silence. This is in accordance with the request of President Harding.

The program will close with an address by Judge Ralph Feig.

POOL ROOM ELECTION BETTING

Editor, News-Times:—Can the editor inform the public, and me, what is that waterworks law? I have compelled pool room owners to post bets for him at the coming election? If the mayor has done this, and he has, what is the law? Is this part of the \$500 increase of salary that the legislature a few years ago voted to the mayor after he spent a long time lobbying at Indianapolis, the legislature changing the word "and" to "or" in the law that raised the salary? Some joker in the waterworks law!

If the poolroom man bets this money for the mayor, is not the pool room man committing a crime? If he commits a crime at the command or request of the mayor, is not that official participating in the crime—as the prosecuting attorney would call it—particeps criminus?

How come?

MISHAWAKA THEATRES

LINCOLN

Harry Semels, villain de luxe in "The Sky Ranger," co-starring June Caprice and his producer-director, George B. Seitz, says this Pathe serial provides him with his greatest acts of villainy.

As Dr. Santro, magician, scientist and inventor of the world's swiftest airplane, a machine that can run a race with lightning, there is no form of villainy he cannot perpetrate. And as an aviator, he has the additional advantage of being able to attack from air. The Lincoln theater presents Episode 3, 4 and 5 today.

CENTURY

The variety bill which begins its three days' showing at the Century tomorrow night, is topped by Evans, Mero and Evans, who call their act "A Breeze from Mark Twain" and present unusual comedy characters, combined with harmony singing. Austin and Russell are also prominent on the bill, and in the comedy skit, "The Girl and the Wop," offer clever characterization, new songs and eccentric dance steps. Miss Lingerde, presenting the act beautiful, offers a series of artistic and classic poses in reproductions of statues.

The five-part romantic drama, "The Blazing Trail," features the popular Frank Mayo, and is replete with action and big dramatic moments. The comedy, "The Whizzbang," has that inimitable comedy team, Edna Gregory and Bud Jamison.

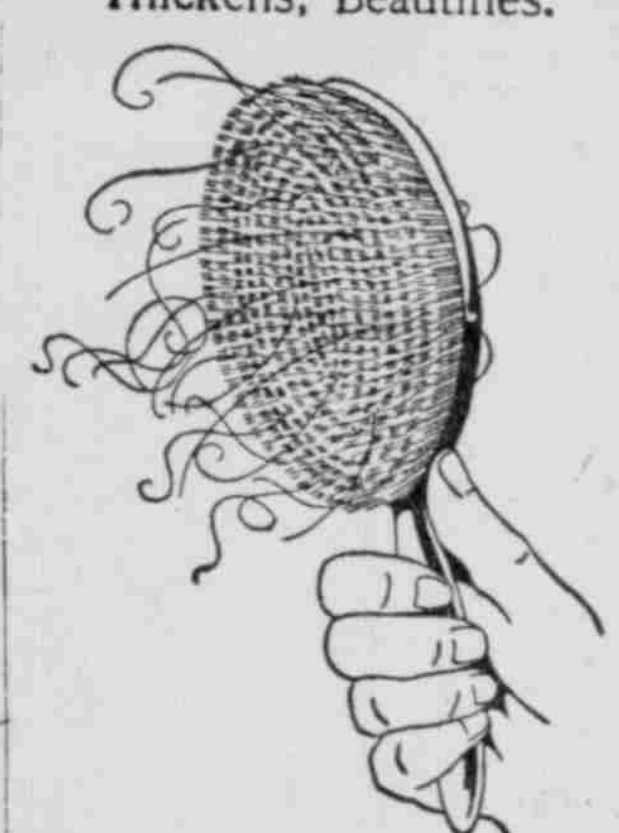

TEMPLE

In "Ever Since Eve," shown at the Temple theater again today, Shirley Mason appears more saucy and appealing than ever before. Her role is that of a French war orphan, adopted by a kind-hearted American and given a position of distinction in his wealthy home. Her bobbed hair and short skirted frocks make her particularly fitted to this role and she looks and acts like 15. The story is full of spirit, with a sprinkling of sentiment and humor.

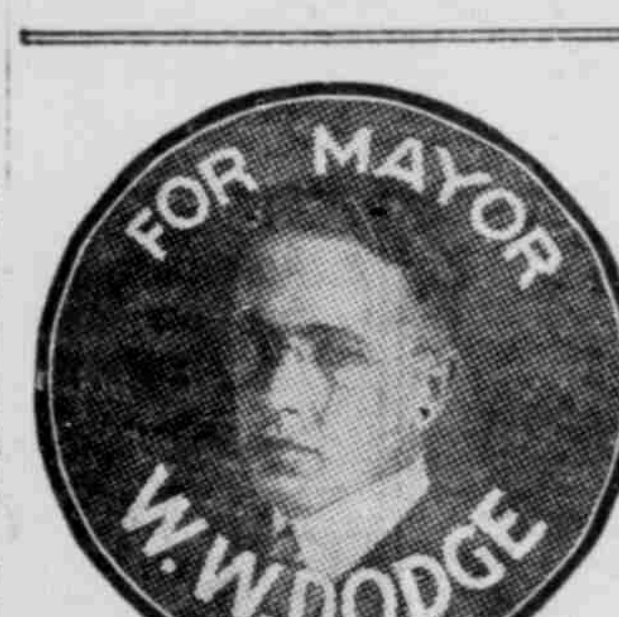

Tomorrow's program which starts its two days' showing is Buck Jones in his latest western, "To a Finish." This popular cowboy actor has won quite a following for himself and in this latest story is seen to splendid advantage. A Mutt and Jeff comedy is included on the bill.

DANDERINE

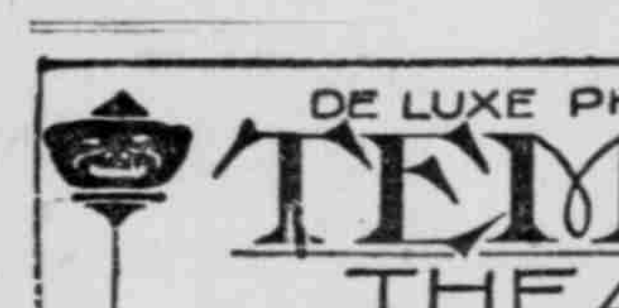

Stops Hair Coming Out; Thickens, Beautifies.

35-cents buys a bottle of "Danderine" at any drug store. After one application you can not find a particle of dandruff or a falling hair. Besides, every hair shows new life, vigor, brightness, more color and abundance.

Father Charges Daughter and Joseph Allen With Serious Offense.

Madeline DeRose, the 17 year old girl who disappeared from her father's home, E. Tenth st., Oct. 9, was found yesterday afternoon by Officers Reamer and Ainlay in company with Joseph Allen, 1242 W. Allen has furnished \$500 bonds for his appearance here in the city court today. The girl is being detained at the county jail and will be arraigned today. Allen claims the girl worked for him in a restaurant and gave her name as Virginia Martins.

The girl disappeared on Oct. 9 and the parents immediately notified the police who have since been investigating the case. This is the second time she has left home.

CAMP FIRE GIRLS GIVE EXCELLENT ENTERTAINMENT

The Amadaki Campfire Girls, composed of 12 members between the ages of 12 and 20 years, entertained large audiences at the Lincoln theater last night to a program which was most enjoyable in every respect. Between the pictures, songs, instrumental music, etc., were featured by the club members. Miss Lois Sackman, a young lady of exceptional ability, rendered "Temple Bells," Miss Lole Sackman, Helen Yenn, Bernor Sammet, Lenora Williams, Margaret Lowman, Agnes DeGroot, Gladys Wrightman, Ruth Jordan, Irma Quick and Mildred Murphy.

The club was organized a month ago, and this, its first attempt, was most creditable.
